# Discover Stewardship Travel

Stewardship Travel is about adding a bit of “doing good and feeling good” to your vacation. As you plan your trip along the California Highway 1 Discovery Route, add an hour or two of fun volunteer time to your day, or schedule a travel adventure to a natural, cultural or historic site. Plant seedlings in a native garden, contribute to a historic lighthouse, make new friends at a beach cleanup or become a “citizen scientist” at a nature center. Your stewardship benefits the Central Coast, and adds deeper purpose to your vacation.
