1. **Call to Order:** By Carol at 5:33 p.m.

2. **Public Comment:**

The SF Gate story is coming up soon and Danielle would like some input for ideas of topics. If this application is approved, a story on outdoor adventures that highlights the tour would be great.

3. **Presentation:**

- a. **Aaron Linn – Classico Bike Tour** Aaron, Ron and Adam gave a presentation for the Classico Bike Tour to be held April 24-26, 2026. Friday night will be an experience with BBQ and gift bags. Admission is \$200 for Saturday and \$100 for Sunday. There will be three routes, and the most popular one will have a re grouping area in Cayucos. This will attract lodging and spending in the local businesses. This event will be an immersive experience, with live music along the route, places to stop and rest and get something to eat or drink. There will be vintage bicycles on the tour, and they are expecting 300-500 people. Even though the website and marketing are just launching, the team has talked to many people and are very dialed in with the cycling community. They expect most participants to come from the CA drive market. They are requesting funding of \$6000, and submitted to the board the application, budget and w-9. The board members will meet again on Wednesday February 4<sup>th</sup> to vote.
